

Sevens Report Alpha Webinar:
Insights from CNBC Contributor and former NYSE floor
trader Kenny Polcari

Thursday, April 30th, 2020

Tom Essaye, President Sevens Report Research

What are the “big boys” (institutions, mutual funds, large hedge funds) doing now?

Can the rotation into cyclical sectors continue?

How quickly can the economy return to “normal” (and what is currently priced into stocks)?

Do you chase stocks here or fade this rally?

When do you think the S&P 500 can get sustainably back above 3,000?
